MR. FRANCIS CESAR B. BRINGAS, CESO VI
Schools Division Superintendent
Department of Education
Baguio City

Dear Sir:

Greetings!

The Philippine Science High School- CAR Campus, in partnership with the Young Southeast Asian Leaders Initiative (YSEALI) and the International Republican Institute (IRI), will be launching the **2nd Cordillera Junior Environmental Scientists Program (CJESP)** on **April 20-28, 2015** with the theme "Sustaining Environmental Leadership through Nature and Culture Appreciation, Scientific Inquiry and Project Management". This program aims to enhance environmental leadership skills among young leaders and provide an avenue where youth-led initiatives can be realized.

In line with this, may we request your endorsement for the participation of incoming Grade 10 students from public and private schools within Baguio City. The program secretariat will select twenty (20) students to participate in the said program which will be held in Sagada, Mountain Province. The CJESP organizers will shoulder the participants' travel costs (Baguio City to Sagada and back), food, accommodations and insurance for the duration of the event.

Furthermore, to widen the impact of the project, **secondary school teachers** are also invited to join the same program as teacher-participants. The teacher-participants will later serve as the project advisers and facilitators for each participating school.

Applications must be hand carried upon submission to PSHS-CAR Campus, Purok 12, Irisan, Baguio City, on or before **March 27, 2015 (cut-off time is 5:00pm)**. Attached are the mechanics and other pertinent program forms and a tentative copy of the program schedule.

Should you have questions or clarifications, you may reach the project secretariat at 0915 305 3070 or email cjesp.secretariat@gmail.com.

We are looking forward to your favorable response regarding this project. Thank you very much.

Sincerely,

ACE MARK B. ANICETO
Project Head-2nd CJESP
