Dear Ms. Donato:

Greetings from Ad Staunch Communication Network!

We are a special events company handling some of the country's respectable names in the industries like *Unilever Philippines*, *San Miguel Corp.*, **United Laboratories Inc.** and many others...

Due to the unparalleled success of "UNILAB CAREERTALK" campus tour that covered 50 premier Schools and Universities nationwide, and educated more than 30,000 students on Life Balance and Career plan, we are now continuing our commitment for quality healthcare by again covering more schools and educating this time Elementary and HS Teachers and Counselors in an intensive Workshop dubbed as Unilab Health and Wellness Talk 2012.

In line with this, we plan to offer partnership with your department by requesting a Letter of Endorsement to five (5) Teachers and Counselor for every Elementary and High School in Baguio City to serve as representatives to the FREE Workshop on UNDERSTANDING ADOLESCENCE which will be held at Citylight Hotel on February 22, 2012 from 8am to 5pm. The said workshop will be facilitated in by a team of Family Counselors from Ateneo de Manila University (CFAM) to render free lectures on ADOLESCENCE. We also plan to include some activities and games as our fun way to educate attendees. Freebies and prizes awaits the participants. Along with, we will give away Free meals and FREE UNILAB over the counter medicines and healthcare kits to all participants of the workshop.

In view of all these, our team will be visiting BAGUIO CITY on February 22, 2012. We hope to make an appointment with your office to further discuss the details of the activity.
