Dear Sir:

Warm greetings!

Teachers of English to Speakers of Other Languages (TESOL) Philippines, Inc. is the association of professionals in the English Language Teaching (ELT) profession. *(Please see attached SEC Registration Certificate.)* **TESOL PHILIPPINES, INC.**'s membership includes:

1. Teachers of English from the pre-school, elementary, secondary, post secondary and tertiary levels
2. Teachers who use the English language as a medium of instruction in any content area
3. Trainers of specialized English Proficiency courses
4. ESL (English as a Second Language) or EFL (English as a Foreign Language) teachers/tutors
5. Teacher trainers
6. School administrators/heads, deans, material writers, authors, curriculum developers, training program designers
7. Students who are Education Majors or English majors

TESOL PHILIPPINES, INC.'s advocacy is: **NO TEACHER LEFT BEHIND**. Our vision is for the Filipino Educator to become **confident and competent**—confident to use the English language for communication, and competent to teach it, and to use it as a medium of instruction. As a **people's initiative to help bring education reforms in our country**, **TESOL PHILIPPINES, Inc.** has now become a movement that advocates **'THE TESOL WAY'** as the **effective way to help students acquire AND learn the English language**. TESOL (Teaching English to Speakers of Other Languages) is the specialized professional discipline that qualifies and equips the English teacher. *(Please see attached TESOL INTERNATIONAL ASSOCIATION position statement on teacher quality.)* The Philippines is now going through a transition period on the development and use of the English language. We are at a point where either we 'make it or break it.'

To further promote and accomplish our advocacy, **TESOL PHILIPPINES, INC.** will hold its **first National TESOL Convention** at the **Hotel Supreme Convention Plaza, Baguio City** on **October 11-12, 2012**. Professors, researchers, teacher educators, English Language specialists and experienced TESOL professionals will speak during the two-day event. The theme for this convention is: **Re-Designing TESOL in the Philippines**. The convention aims to:

1. review and evaluate past and current practices in teaching the English language in the Philippines;

2. identify the challenges the Filipino Educator faces as he/she teaches the 'Global Student' and the 'Net Generation';
3. present new ways of learning AND teaching the English language—proposing **THE TESOL WAY** to achieve maximum learning/teaching outcomes;
4. build **THE NEW FILIPINOTEACHER's** image: a model for Asian Educators and a Global Leader in English Language Teaching to non-English speaking people/nations;
5. fuel **THE NEW FILIPINO TEACHER** with passion to stay in the World's Noblest Profession, and to influence his/her students to go beyond their teachers' accomplishments;
6. equip **THE NEW FILIPINO TEACHER** with new skills, resources and actual relevant experiences to make him/her become **confident and competent**—confident to use the English language for communication, and competent to teach the English Language and use it as a medium of instruction.

In line with all of these, we would like to request your good office to invite **principals and teachers of public and private schools** to attend the convention. **TESOL PHILIPPINES, Inc.** highly appreciates your presence and endorsement for this convention. We strongly believe we can help transform our nation by making reforms to make the Filipino educator the best for our own people, and the most competent worldwide.

Respectfully yours,

ANGELITA TERNURA-PACLEB, MA, DSM
Founder and National President
