DEPED-NEAP: ADVISORY

Deferment of the 2012 National Qualifying Examination for School Heads

May we kindly advise that the 2012 National Qualifying Examination for School Heads (NQESH), which was originally scheduled on November 11, 2012, is postponed until further notice to allow enough lead time for the procurement of external service providers for the production of the scannable answer sheets, automated generation of results and testbooklets.

Further, the deadline for the filing of application forms for the 2012 NQESH at the division level is likewise extended until November 16, 2012 and the submission of the actual number of registrants to the NEAP CO is now on November 23, 2012.

It is stated that all other provisions of DepED Memorandum No. 132, s. 2012 announcing the conduct of this year's NQESH shall remain in full force and effect.

For the information and guidance of all concerned.

Immediate dissemination of this Advisory is desired.
