RECEIVED

Dear Madam:

Good day!

The **UP Biology Society** is an academic organization committed to the promotion of academic excellence in the fields of biology, physical sciences, and mathematics not only inside the university, but also in other academic institutions such as public and private high schools.

In celebration of the organization's 35 years of existence, The **UP Biology Society** will be holding its **23rd Inter-High School Science Quiz Show** and **5th Poster Making Contest** on September 14, 2013(8:00 am-3:00 pm) at UP Baguio.

In line with this, we would like to request that the above mentioned activity will be officially recognized by the Department of Education, Baguio City District. Furthermore, we would also like to ask for the permission of your good office that the participants on the said event will be able to declare their participation as their extracurricular activity. We will be greatly honored and thankful upon the approval of this request.

Thank you and God bless!

Sincerely yours,

M. Placido
