Dear Ms. Cariño,

Greetings!

We would like to ask your good office to endorse our seminar-workshop entitled Understanding the K to 12 Curriculum which will be happening on **September 14-15, 8:00 am to 5:00 pm** with Dr. Ross Alonzo, a multi-awarded teacher and an internationally recognized teacher trainer. Please find below the details of our seminar-workshop.

**Objectives:**

At the end of the one-day seminar workshop, the participants are expected to:

1. Understand the K to 12 standards and competencies
2. Use principles of learning in designing tasks
3. Be familiar with authentic assessment of learning outcomes and the new grading system

**Who should attend:**

High school and elementary English and Filipino teachers and preschool teachers from the public and private schools. Teachers from other subjects may also benefit as they will have deeper understanding of the K-12 system.

**What to receive:**

Seminar handouts  
Certificate of Participation and Appearance for government employees  
DepEd Memo (if event will be endorsed by Baguio Division Office)

**Seminar Fee**

Php 800 Early Birds; Php1,000 Walk-in

**Resource Speaker:**

DR. ROSS IGNACIO-ALONZO is a professor at the University of the Philippines where she also served as the Director of Instruction in 2005-2011. She spent the earlier part of her academic life in UP Baguio. She has presented academic papers and conducted workshops in the Philippines, Japan, Cambodia, China, USA, Germany and UK.

She finds fulfillment in sharing best practices in teaching and interacting with colleagues in the field of education locally and internationally.

Dr. Alonzo was part of the Training of Trainers conducted by the K-12 Curriculum Convenors held in Manila on April 27- May 3, 2012.

Tentative location for this seminar-workshop is at **Sofia Playgarden, #168 Military Cutoff Road (2<sup>nd</sup> floor of Zio's Pizzeria Building, Baguio City**. The location can only accommodate 30 people, if more people are attending, then we will need to move to a bigger location.

This seminar-workshop is one of many learning activities we are offering to the Baguio community this year. This is a rare activity, as Dr. Alonzo has various speaking engagements around the country and abroad. To enable more teachers to better understand the purpose of K-12 education, as well as to help them provide support to *individuals who want to know the intricacies of this system, and we have subsidized the registration fee to make it more accessible.*

We have attached with this letter the standards matrix which will be used for this seminar-workshop.

Thank you very much for your time and attention.

Yours in light and love,

Sarah Mae F. Sabado
