DR. ELLEN B. DONATO
Director IV

Department of Education – Cordillera Administrative Region
Wangal, La Trinidad
Benguet

Dear **Dr. Donato:**

Greetings of Peace of Mind!

Recent studies have shown that there is an alarming escalation in suicide attempts among Filipino teenagers. Also, the Philippines was listed with the most cases of depression in Southeast Asia. This information is truly disturbing and needs to be addressed. Thus, the PMHABBCI in celebration of its 54th Mental Health Week will conduct a Symposium entitled

"Too Young to Die"

Sensing Signs of Depression in Adolescents and Suicide Prevention"

on **October 4, 2013, (Friday) 8:00 a.m. to 12:00 noon** at
**the Baguio General Hospital and Medical Center
(BGHMC) Auditorium (Cobalt Building), BGH
Compound, Baguio City.**

In this regard, we would like to request, once again for an endorsement from your good office and ask your support by allowing your staff and teachers to attend the said seminar. We believe that this activity will not only be beneficial to your staff and teachers but also to the students and youth whom they are serving.

There shall be a registration fee to cover the participant's certificate, lecture notes, brochures and snacks:
