Dear Sir:

The Baguio ICT Council in partnership with the DOST – ICTO will push through with the **ICT Roadshow** which was originally scheduled last August 22 – 23, 2013 on **October 16 - 17, 2013 at 8:00AM to 5:00PM at the Baguio Convention Center, Military Cut-Off, Baguio City**. This event aims to provide a proper venue for the government, the industry players and the stakeholders to present and discuss opportunities in the IT-BPM sector such as entrepreneurship, career development, and enable SMEs to adopt digital commerce and the conduct of Job Fair.

In line with this, may we request you to allow some of your teachers, guidance counselors and student leaders preferably 3 participants in each school to attend the two (2) day activity.

For more information please contact Ms. Evelyn B. Cayat at CP No. 0917 507 8681 and Landline No. 442-6607.

Thank you.

Very truly yours,

  
**MAURICIO G. DOMOGAN**  
City Mayor  
Chairman, Baguio ICT Council
