Division Superintendent
Baguio City

Dear Francis,

Greetings of Peace!

We are honored and pleased to let you know that this November 2013 Drug Prevention Month the Baguio-Benguet League Against Drug Abuse organized in November 1985 have finally accepted the challenges and clamor for us to RE-LAUNCH the much awaited BABE-LEADA Wholistic Anti-Drug Abuse Awareness Campaign designed for Parents and Children. Meaning the presentation will not only cover the BAD Effects of Drug Abuse, Alcohol and Smoking but most of all, inspirational and motivational talks, Family Life and Effective Parent-Children relationships and Development of Self-Esteem.

Please join us in this noble Voluntary Service to our Youth, for Peace, Progress and for a Drug Free Baguio. In line with this, we are soliciting your very valuable support by allowing us to conduct a Half-Day Seminar for FREE to High School Students in the different High Schools in the City – Preferably 3rd and 4th year as the first priority not more than 250 pax per session please.

Anticipating your kindness and consideration.

Very truly yours,
