HOW TO USE THIS MORE THAN 100 COMMONLY MISPRONOUNCED WORDS IN COMPACT DISC (CD)?

I Speak English Club (ISEC) has gathered More than 500 Commonly Mispronounced Words by Filipinos in terms of speech problem in speaking the second language which is ENGLISH.

There are 5 parts of the CD - An Audio-Visual Production to be out in the near future.

At present, only PART 1 is available for consumption in the school. The other parts will soon follow in the market. Having the complete set will set you FREE from troubled-spoken English words. To get all parts, the school must enlist as ISEC -

ACCREDITED SCHOOL CHAPTER for 5 consecutive years because the CD on More than 100 Commonly Mispronounced Words will be released only on a yearly basis.

FACT 1:

Even a high school graduate can work in the call center industry if that person is trained thru proper speech communication. The Compact Disc of I Speak English Club (ISEC) on MORE THAN 100 COMMONLY MISPRONOUNCED WORDS are the very words that are used in TESTING the prospective call center applicants.

FACT 2:

The "BEST PERIOD" to train a person in English Communication is during CHILDHOOD, since this is the, FORMATIVE PHASE a child simply absorbs the voice style, accent and articulation using the MORE THAN 100 COMMONLY MISPRONOUNCED WORDS CD.

FACT 3:

The CD of I Speak English Club is not available in the market. However, it is available "only" in I Speak English Club (ISEC) thru membership enlistment. Having a copy is a sure way to improve one's speech power thru remembering the word's articulation over and over again.

EFFECTIVE TIPS IN USING THE CD

- REGULAR LISTENING BASIS :** Hearing and hearing will easily absorb the right accent, stress and articulation of the said English Word. ISEC suggests a repeated playing of the CD of I Speak English Club (ISEC).
- CHECK the WORD DEFINITION IN THE DICTIONARY :** UNDERSTANDING the WORD being spoken is rightly needed : to give appropriate emotion to the word. Defining the words will result in an effective speaking.
- USE THE WORD IN A SENTENCE :** ISEC implies that you make a sentence out of the words heard : in the CD. Formulating a statement using the word is presumed as precise solution to the "English-speaking" problem of Filipinos. Since we don't speak it regularly, everyone is asked to practice, practice and practice until speaking fluidity is achieved.
- BE READY FOR JOINING ARTICULATION CONTEST :** ISEC is regularly holding the ARTICULATION CONTEST and will encourage everyone to compete in this one-of-a-kind Speech Tilt Competition to prove one's ability to speak the language correctly in an American accent way.
