Dear Dr. Donato,

My name is **Nam Kyung Hyun** and I am the **President of the International Youth Fellowship Philippines**. I am writing to inform you about an exciting opportunity for **principals, teachers and students** for professional and personal development that will in turn assist them in molding their lives as mentors and future leaders. The **IYF, a registered non-profit organization under the Securities and Exchange Commission, will be holding its 2014 Mind Education Specialist Training on February 26-28, 2014 at SM Cinema 2, Baguio City.**

The purpose of this Event is to revolutionize the idea of leadership by focusing on the importance of having a leader's heart as an educator, being aware of relevant issues in the country which affect our students' education. By interacting with participants through our program and conducting focus groups for the upcoming camp, we aim to formulate timely and effective solutions for the betterment of our students' society. For this reason, we believe that it is imperative to bring these topics to the forefront by enabling participants to discuss and create presentations centered on current issues in the Philippine setting. We believe that addressing these issues will create the caliber of a leader and educator that is best equipped to lead future generations and have a positive impact on society.

Last **October and November 2013**, we had this **Mind Education Specialist Training in Quezon City and in Angeles, Pampanga with SM Cinemas as venue**. The event was truly successful as the participants coming from different schools and places were really joyful and thankful as they receive inspiration and hope from the programs and lectures. Thus, they are looking forward for more events like this to come.

With this, we want to host the **2014 IYF Mind Education Specialist Training** in your region. Hence, we sincerely ask that you support and give us an opportunity to **present this event to principals, teachers and students of Baguio and Benguet through your Endorsement**. Joining the event would broaden the horizon of participants in leading the hope of the future, our precious youth.

Thank you for your time and attention and I look forward to hear from you soon.

Sincerely,

Nam Kyung Hyun
IYF Philippines President
