Francis Cesar B. Bringas, CESO IV
 Schools Division Superintendent, OIC
 Department of Education, Baguio City

Dear Sir:

Greetings!

COMSCI@UP.BAG is a recognized academic organization of Computer Science students in the University of the Philippines, Baguio. One of our main goals is to help raise awareness of the field of Computer Science and Information Technology in our campus and also, the Baguio community.

In line with this, we are proud to present to you our 6th **CyberWhiz: Inter-High IT Quiz Show**, which will be held on in March 17, 2014, 1:00 pm at the University of the Philippines Baguio. This event started last February 2005 with the leadership of the former comsci@up.bag Chairperson, Mr. Marc Irvin Pagdanganan with the vision to promote the Computer Science curriculum of the University of the Philippines as well as to enhance and contribute knowledge to the High School students in Baguio City regarding the field of Computer Science and Information Technology.

With this in regard, we believe that your partnership with us would be a great help in the success of the event, especially in developing the spirit of competence and excellence among high school students in Baguio. We are respectfully asking for your office to give accreditation to the said activity. Along with this are the details of the event.

We hope that you would extend your support to the said project and share our interest for the next generation of scholars.

Thank you and God bless.

Sincerely Yours:

Florida Lee B. Martin
 Florida Lee B. Martin
 Chairperson, COMSCI@UP.BAG

Eloise Gamit
 Prof. Eloise Gamit
 Adviser, COMSCI@UP.BAG

February 20, 2014

To: All Secondary School Principals/
 Head Teachers (Public only)

FOR YOUR INFORMATION AND GUIDANCE.

L. B. Bringas
 FRANCIS CESAR B. BRINGAS, CESO VI
 OIC, Schools Division Superintendent

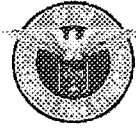

Cyber whiz.: Inter-High IT Quiz Show Details:

1. A registration fee of P150 per team would be collected from the participants. It shall be given on the day of the event before the program starts.
2. Each participating school is to be represented by a group of three (3) contestants from any year level.
3. The questions of the **Cyber whiz** cover the topics and current issues on Computer Science and Information Technology.
4. There will be three rounds in the quiz show namely the *easy*, *average* and *difficult*. After the three rounds, the points would be tallied to determine the winner of the quiz bee. In the event of a tie, tie breaker questions will be given until the tie is broken.

The distribution of questions and points at each round are as follows.

Round Level	Number of Questions	Type of Questions	Time limit to answer each question	Points for each correct answer
<i>Easy</i>	10	Multiple Choice	10 seconds	1 point
<i>Average</i>	10	Multiple Choice	15 seconds	3 points
<i>Difficult</i>	10	Multiple Choice	30 seconds	5 points
<i>Clincher</i>	depends on how many questions are necessary to break ties	Multiple Choice	10 seconds	For breaking the tie only, no points

5. Answer sheets, marker and scratch papers would be provided to serve as the participants' materials to answer the questions. Once the quiz masters mentioned that the time to answer the given question is over, all participants should raise their answer sheets to show their answers.
6. Only the materials provided by the proctors of the quiz show are allowed during the quiz show proper. The use of cellular phones, calculators or any electronic devices and other reference materials are not allowed.
7. During the contest proper, questions are announced twice by the quiz masters and also projected.
8. A score sheet will be displayed and updated each time participants answered a question correctly.

9. All participating contestants and coaches will be awarded certificates to be given after the quiz show. Winners will be declared after the three rounds provided there are no ties. Top three teams with the highest scores are recognized as the **Cyber whiz** winners. The distribution of the major prizes is as follows:

Title	Prize
<i>Champion</i>	Gold medals for each participants and a Champion's trophy
<i>2nd prize</i>	Silver medals for each participants
<i>3rd prize</i>	Bronze medals for each participants
