DEPED-CAR

GMA Kapuso Foundation through Unang Hakbang Sa Kinabukasan (UKSK) Project has a yearly school opening activity for the incoming Grade 1 pupils from the poor and remote public elementary schools nationwide. The project aims to assist parents in enrolling their children to Grade 1 and inspire these young children to study and remain in school by providing them a complete set of school materials.

GMA Kapuso Foundation proposes to distribute backpacks with school supplies in selected DepED Divisions. They are requesting for the list of incoming Grade 1 duly signed by their parents.

It is in this regard that we would like to request your respective divisions to provide assistance to GMA Kapuso Foundation in the implementation of their project, from the selection and/or validation of schools, up to the actual implementation. The assistance that they offer will be a big help to our public schools that will be chosen. Their people on the ground will be communicating with your offices in the coming weeks. Attached is the communication that they sent for you reference.

Thank you very much.

Greetings from GMA Kapuso Foundation!

The GMA Kapuso Foundation is now on its 17th year of our ~~Young-Halabang-Sa-Kinabukasan (YHSK) Project~~, a distribution of ~~basic packs with school supplies to incoming Grade 1 pupils from the most remote and underserved areas nationwide.~~ The UHSK aims to assist poor parents in enrolling their children to Grade 1, and inspire these young children to study and remain in school having a complete set of school materials.

In this regard, we would like to request your assistance to help us ~~endorse the project and facilitate the UHSK Palistahan~~ in the selected schools covering District/Division. The Palistahan is an important activity that will determine the number of pupils that will be served and this data should be given to GMAKF ahead of time. Thus, we request that the Palistahan be undertaken in the given schedule which is from March 21-30, 2014 (just before the end of classes). We know that the DepED mandated an Early Registration last January 2014, but for this UHSK project, we would request a new enrollment where parents of incoming Grade 1 pupils have duly signed.

We anticipate your support to our UHSK Project and we look forward to seeing your schools. We are sending you the documents that would be required for our Palistahan. For your immediate concerns and inquiries, please contact our assigned Project Coordinators, Sheilana Ward and Tina Dungca will follow up your response and coordinate details of the activity. You may also contact us at (02)9289351/9284299/09088869003/09177925807 and mjcdungca@gmanetwork.com; slward@gmanetwork.com for your immediate inquiries.

Thank you very much for your assistance.

Sincerely yours,
