Dear **MADAME**;

Greetings of **SERVICE** from **BAPTI**!

The ongoing implementation of K to 12 by the National Government through the Department of Education is both a challenge and an opportunity on the part of School Administrators, the Community as a whole to include those who are from Government agencies such as TESDA, CHED and even DepEd as the prime mover. This prompts BAPTI or the Baguio Association of Private-Technical Vocational Institutions in collaboration with CARAPTI or the Cordillera Administrative Region Association of Private Technical-Vocational Institutions in organizing a "K to 12 LEARNING ENGAGEMENT" dubbed as "**Significant impact of K to 12 into the Philippine Educational System.....How to cope up with the Challenge**". This learning engagement aims to provide relevant information on the Philippine Educational Qualification Framework or PEQF; Competency inclusions under this Kindergarten to 12 years basic education program; and Opportunities that K to 12 program brings to DepEd Schools together with the Technical Vocational Institutions or TVI's and those Higher Education Institutions or HEIs.

This "K to 12 LEARNING ENGAGEMENT" is set on April 10, 2014, Thursday from 8:30AM to 3:00PM at EUROTEL Activity Center, below Baguio City Hall. This regional wide engagement is expected to muster School Heads and Administrators, Teachers and Educators from CAR and Region I. Commitment Fee per participant is PHP800.00 inclusive of Training Certificate, refreshments in the morning and in the afternoon, Lunch and Learning Kits. Relative thereto, may we invite you to serve as one of our Resource Speakers to present and discuss about **Philippine Educational Qualification Framework plus Significant Impact of K to 12 Program in BASIC EDUCATION**. Should you accept this humble invitation, your time slot is from 9:00 to 9:45AM.

Moreover, we would deeply appreciate if you could officially endorsed this learning program to the School Administrators and/or School Heads under your good Department as we need to collaborate and join our forces to take full advantage of the affirmative benefits of the K to 12 Program.

Thank you very much and God Bless!

Respectfully yours;
