

July 9, 2014

**MR. FRANCIS CESAR B. BRINGAS, CESO IV**  
OIC-DEPED Schools Division Superintendent  
Division of Baguio City

Dear Mr. Bringas,

This is to formally invite you to the launching of the PLDT Infoteach Outreach Program in Baguio City. Baguio is one of the 12 areas to be covered by the 2014 phase of the program. The launching ceremony, which will be held on 23<sup>rd</sup> of July 2014, 2pm at Baguio City will officially signal the start of program implementation in the area.

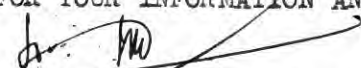

In this regard also, we would like to request you to give an inspiring message during the launching program. Moreover, since the program will involve the High Schools in Baguio, we would like to further request your office to relay our invitation to the school principals and the school IT Coordinators who will also be instrumental to facilitate implementation of the various activities of the project.

Thank you and we look forward to your joining us in this important occasion and to a fruitful collaboration with your office.

More power!

Truly yours,

  
Evelyn M. Del Rosario  
Head  
Community Relations, Public Affairs

## The 2014 PLDT Infoteach Outreach Program

The Philippine Long Distance Telephone (PLDT) Company, in collaboration with the UP Open University (UPOU), Department of Education (DEPED), and the Technical Education Skills and Development Authority (TESDA), will implement the 2014 Infoteach Outreach Program. The goal is to enable the participants to acquire the digital skills for the 21<sup>st</sup> century teaching, learning, and working.

The program has three components: the training of trainers; the roll out of training program; and the HomeDSL Broadband Quiz Contest.

Twelve (12) areas will be covered by this year's program implementation:

### Luzon

-  Naga City
-  Daet
-  Baguio City
-  La Union
-  Bangued, Abra

### Metro Manila

-  Las Pinas City
-  Mandaluyong City

### Visayas

-  Tagbilaran City
-  Roxas City
-  Cebu (Camotes Island)

### Mindanao

-  Siargao
-  Cagayan de Oro City

In each area, PLDT will also partner with the Local Government Unit and the DEPED Schools Division Superintendent.

### The Training Curriculum

For the Teachers	For the Students
<p>The training for teachers will use the Intel Teach Module Getting Started and will cover the following topics:</p> <ul style="list-style-type: none"> <li><input type="checkbox"/> Developing 21st Century Skills (e.g. workplace communication; leadership; working as member of the team; e-learning/lifelong learning)</li> <li><input type="checkbox"/> Higher-order thinking and student collaboration</li> <li><input type="checkbox"/> Word processing productivity tools</li> <li><input type="checkbox"/> Multimedia software</li> <li><input type="checkbox"/> Spreadsheet software</li> <li><input type="checkbox"/> Facilitation skills</li> <li><input type="checkbox"/> Developing Designs for electronic media</li> </ul>	<p>The training for the students will use the Intel Module Skills for Success and will cover the following topics:</p> <ul style="list-style-type: none"> <li><input type="checkbox"/> Word Processing productivity tools</li> <li><input type="checkbox"/> Spreadsheet</li> <li><input type="checkbox"/> Multimedia</li> <li><input type="checkbox"/> E-learning/lifelong learning</li> <li><input type="checkbox"/> Developing Designs for electronic media</li> <li><input type="checkbox"/> Communication skills</li> <li><input type="checkbox"/> E-learning</li> </ul>

#### Instructional Mix

- Face-to-face direct instruction
- Self-paced/online

#### Training Hours and Schedule:

- Training Hours:
  - o Teachers: 20 hours of F2F instruction and 48 hours of self-paced/online instruction
  - o Students: 20 hours of F2F instruction and 20 hours of self-paced/online instruction
- To be scheduled per area/location

#### Who can participate:

- Teachers:** The school ICT Coordinator and other subject teachers who need or desire to learn 21st century teaching and learning approaches and the development of designs for electronic media!
- Students:** 4<sup>th</sup> year high school students who desire to learn the 21<sup>st</sup> century skills and the development of designs for electronic media!

Participants who successfully complete all the requirements of the training program will receive a Certificate of Training Completion from PLDT and DEPED. They may also opt to take the TESDA Certification of Competency for Developing Designs for Electronic Media.

#### HomeDSL Broadband Quiz Contest

One major component of the PLDT Infoteach Outreach Program is the HomeDSL Broadband Quiz Contest. Each participating school will hold the school level quiz contest for both the teachers and the students. Winners will represent the school at the Division Level quiz contest. The winners at the Division Level will compete at the Regional Level where the top 4 will be selected for the National Championship. !

#### How to Apply:

Schools will be invited to participate in the program through the Schools Division Superintendent. The school will have to signify interest to participate and the willingness to facilitate participation of students and teachers by making available the needed school facilities. At least 10 schools per area will be selected and each school can nominate at least 15 teachers and 15 students to participate in the program. !
