ORDERED DIVISION OF BAGUIO CITY
SEP 02 2014
RECEIVED

DR. FRANCIS CESAR B. BRINGAS, CESO VI
ASDS, Officer In-charge, Schools Division of Baguio City
Department of Education, Baguio City

Dear **Dr. Bringas**:

Greetings of Peace and Prosperity!

Pleased to inform you that Andromeda Mobile Planetarium (AMP) will be conducting a free admission public viewing activity entitled "**International Observe the Moon Night**" on September 6, 2014 at MELVIN JONES BANDSTAND from 7Pm to 10Pm (depending on the weather condition). This activity will be conducted by different astronomers throughout the world. An event that will provide an avenue for exposure, astronomy awareness and astronomy-education to the Cordillerans.

In relation, may I invite students from the different schools in Baguio City on the said activity.

With you in service,

NORMAN L. MACARIO
Marketing/Event Coordinator
