THE SCHOOLS DIVISION SUPERINTENDENT

Department of Education – Division of Baguio City
2600 Baguio City, Philippines

Sir/Ma'am:

Greetings!

The **University of the Philippines Math-Physics Society** is an organization of students who share a common vision of promoting student's interest in Mathematics and Physics. In its 39 years of living up to this vision with great success, it has spearheaded countless activities geared toward advancing the awareness and appreciation of students of the City of Baguio and neighboring regions of Mathematics and Physics.

A noted activity of the UP Math-Physics Society is the **Annual Lecture Series**, a yearly update of the advancement regarding Mathematics and Physics. In its staging of the society's **16th Lecture Series on the 18th October 2014, 8:00 AM, at the Bulwagang Juan Luna** of UP Baguio, we are motivated in extending the scope of participants of the said activity to local students of Baguio City and Benguet Province.

In connection to this, we humbly ask that you endorse the participation of your division's schools. Thank you very much and we look forward to your positive response regarding our request.

Respectfully Yours,

JOSEPH CHRISTIAN E. BAUTISTA
