Phase II - Performance Monitoring and Coaching, which is the **heart of the RPMS** can commence right after. Performance monitoring shall provide key inputs and an objective basis for rating. Performance monitoring shall be the responsibility of both the rater and the ratee, where they track and record significant events and actions taken through the use of the Performance Monitoring and Coaching Form (PMCF).

Coaching and feedback shall be done regularly or as needed. Coaching and feedback shall be provided by the rater and/or shall be sought by the ratee to improve work performance and behavior.

Please note that the Phase III - Performance Review and Evaluation is scheduled during the following periods:

ADVISORY

Please be guided that for school-based personnel, including teaching and non-teaching staff, RPMS is not linked to the Performance-Based Bonus this year. The RPMS results will guide the Department in providing development and training interventions to ensure continuous development of our personnel. This is part of DepEd's commitment to continuously improve and provide quality education to our learners.

The official guidelines for the RPMS are still under review by various stakeholders (relevant associations, employees' union, and representatives from several offices at different levels). The rating scale is also under negotiation with the Civil Service Commission. The official guidelines will be released as a Department Order by October 2014.

For inquiries you may contact the National RPMS Help Desk at deped.rpms@gmail.com

For immediate and wide dissemination. Thank you.
