MADAM:

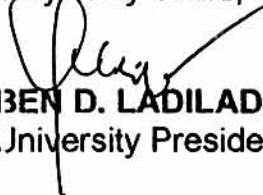

Benguet State University (BSU) envisions to be a premier state University in Asia. Hence, it persistently seeks ways to produce globally competitive students who are and will be a part of your workforce. Among its methods is the conduct of a Graduate Tracer Study (GTS) for all the BSU graduates of undergraduate and graduate programs in order to appraise how its graduates are faring in the workplace. The GTS also aims to provide an empirical evidence of the relevance of the university's degree programs.

In this connection, we earnestly seek permission from your office and an endorsement to allow Ms. Aelline Gayaso-Carama, our Research Assistant, to administer the GTS questionnaires to your personnel (all teachers and staff) who are alumni of BSU.

Thank you very much and looking forward to your support in this undertaking and may this strengthen our partnership in providing efficient and effective service to the Filipino people by having a strong work force.

More power and God Speed!

Very Truly Yours,
