Greetings!

DanceWorks is a duly recognized dance organization from the University of the Philippines Baguio. With its mixed genre of jazz and hip-hop, DanceWorks is one of the University's prime dance organization. In our aspiration to promote the art of dancing, we conduct activities in and out of the University for the benefit of the students as well as the society.

In line with this, we write to you regarding one of our activities, **DanceWars**, a Baguio-wide group dance competition for a cause among high school students on March 14, 2015. Dance Wars aims to introduce high school students to different genres of dancing, and create a harmonious relationship between schools here in Baguio through a friendly competition. Part of the proceeds of this event will be donated to **The Pedal and Paddles Project: Bayanihang Bangka at Bisikleta**.

Dance Wars was already conducted last January 18, 2014 and one of the comments was that the event should be credited as an extracurricular activity since the participants represented their schools. In response to this, we write to request to acknowledge our event and endorse it to schools as an extracurricular activity.

If you have any questions or suggestions please contact us through our Facebook page DanceWorksUPB at <https://www.facebook.com/DanceWorksUPB> or through text via 0926-365-0094 or 0927-223-8992.

Attached to this letter is the description and mechanics of Dance Wars 2.0.

Thank you and we are looking forward to your positive response.

Yours truly,
