**Sir:**

The Philippine English Teachers known as PETJ is delighted to have the opportunity to offer a seminar that will gradually transform the way you teach English to your beloved students. We believe that teaching and learning English can be globally competitive at the same time without being unforgiving and wearisome.

The accompanying paper provides comprehensive information of the course and programs PETJ Philippines International is offering. Please find below a short overview of PETJ Foundation's profile.

The Philippine English Teacher Juvy's Method started 1196. It was in December 2008 when a group of Filipino teachers joined her method of teaching which is now called PETJ-Philippines English Teachers in Japan. The goal of this foundation is to share and spread the methods of teaching and help other Filipinos to become effective English teachers in the Philippines or even when in a foreign land.

PETJ believes with the invisible forces of the three P's – "Perseverance, Prowess and Proficiency". Over the years, the foundation's name has been improved due to its promising increase in number of active members. And we are recently registered as PETJ International.

Included are the different programs/courses or seminar fees which covers full board meals, snacks, booklets, primers, training kits, International Certificate with a stamp by the PETJ INTERNATIONAL FOUNDATION depends on what is to be chosen. The certification shall be signed by the PETJ Directress, Juvy Abecia and all the certificates will come from Nagaoka, Japan. Hope this very promising offer will be highly supported by your office and this promotes our same interests to help our Filipino teachers reach global standards and expertise and to help us understand the true meaning of K-12 program. Our goal is to give an effective method that can help our future leaders.

The Philippine English Teachers in Japan - Fukuoka held its TESOL teaching training seminar last August 24th and September 14th at Kitakyushu Kokura MOVE Center. PETJ teachers, trainees, and participants from Nepal, Thailand, Saudi Arabia, Japan and Philippines gathered to enjoy the seminar. The one-day seminar was organized by yours truly with the great support of our very own Teacher Juvy Abecia (PETJ Founder/Directress) and Teacher Badeth Agcaoili (PETJ Consultant). It was an honor to organize this seminar and meet new people and aspiring from different countries and help them reach their goals in the future.
