MAKABAYAN 2015

March 2015

Francis Cesar B. Bringas, CESO VI,
Schools Division Superintendent
Division of Baguio City
Department of Education
Cordillera Administrative Region

Dear Sir:

We are writing you again relative to our Makabayan program which is already on our 10th year. As in the past we are giving due recognition to the graduation students and pupils, who excelled in the field of Makabayan. This is in line with our promotion of the cardinal virtue of PATRIOTISM, the guiding principle of the fourth degree of the Knights of Columbus.

With your kind permission and endorsement our coordinators will be in touch with the school administrators for the selection of the awardees. We have simplified the guidelines and criteria a copy of which is hereto attached for your perusal.

We thank you again for your continued support and we look forward to working with you regarding our programs aimed at instilling Love for our Country among our youth.

Vivat Jesus!
