Schools Division Superintendent

Baguio City

Attention: MR. RENALDO D. UMAT
Education Program Supervisor

Dear Supt. Bringas:

This is to acknowledge your letter dated June 5, 2015 regarding the list of names of the Public Secondary School Teachers who will undergo assessment under the NATCAC program in various qualifications.

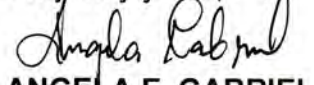

In this regard, we are providing you copy of the approved Qualification Map with the name of assessment centers and the schedule for assessment. You can coordinate directly with the assessment centers for requirements and confirmation of specific schedules.

We would also want to make a correction on the approved assessment schedule which are August and November instead of August and October.

For any clarification, you may contact Ms. Carolina A. Jacaban at telephone number 423-1263.

Thank you.

Very truly yours,

ANGELA E. GABRIEL
Provincial Director
