Dear Sir:

Greetings!

The Young Southeast Asian Leaders Initiative (YSEALI) is U.S. President Barack Obama's signature program to strengthen leadership development and networking in Southeast Asia. Through a variety of programs and engagements, including U.S. educational and cultural exchanges, regional exchanges, and seed funding, YSEALI seeks to build the leadership capabilities of youth in the region, strengthen ties between the United States and Southeast Asia, and nurture an ASEAN community.

In line with YSEALI's goals to reach out to young leaders (ages 18-35), a YSEALI Caravan will be conducted at the American Corner, Saint Louis University (SLU) on **October 24, 2015 from 8:00 am to 12:00 pm**. The Caravan aims to showcase YSEALI and the various opportunities that are in line with its four pillars: Education, Environment, Civic Engagement, and Economic Development.

With this, I would like to extend an invitation to elementary and secondary teachers belonging to the said age bracket to attend and participate in the caravan. The activities during the caravan will not only cater to professional development opportunities but will also ignite the spirit of volunteerism among its participants.

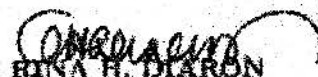

I am looking forward to your most favorable response on this request. Attached is a copy of the program for your perusal. To allow the secretariat enough time to arrange the said activity, please let the participants confirm before **5:00 pm on October 22, 2015** by sending an sms to 0917 592 3920. Should you have questions or concerns, you may reach the undersigned through the same phone number.

Thank you very much.

Truly yours,

MR. MARK B. ANICETO
