Sirs:

Greetings of peace!

The Baguio Everlasting Lions Club is an all-women non-government volunteer service organization chartered by the Lions Clubs International on April 5, 1994. In the year 2012, our Club was officially recognized by the Regional Development Council-CAR as the Outstanding Volunteer in the Non-profit Organization Category for its "exemplary performance in voluntarily providing various social services to the marginalized sector of the City of Baguio." This year our club celebrates 22 years of dedicated service, and we are committed to continue serving the community and answering needs, particularly of the underprivileged, with the goal of leaving everlasting imprints that benefit society as a whole, ever-inspired by the Lions motto "We Serve."

We also aim to give opportunities for the youth through literacy and education, and help bridge gaps in order to work towards achieving the full potential of our students and equip themselves with the skills needed to enjoy a lifelong journey of learning. Under our Club's Reading Action Program (RAP), the Baguio Everlasting Lions Club will conduct a **Reading and Spelling Olympiad** with the theme "Building a Nation of Readers" tentatively scheduled in March 12, 2016.

In this connection, may we respectfully request authority from your good office to conduct this activity with the participation of the different public elementary schools? Rest assured that the conduct of this activity would be beneficial to the development of our elementary pupils.

Thank you very much and hoping for the immediate approval of our request. We hope that we can work together to create a brighter future for our schoolchildren.

Very truly yours in Service,

Lion Dr. Lillian D. Opeña
President
