# Announcing the Private Schools in DepEd-CAR with Authority to Operate and Increase in School Fees, School Year 2016-2017

DepEd-CAR hereby releases the UPDATED LIST OF PRIVATE SCHOOLS (Elementary and Secondary) with GOVERNMENT PERMIT TO OPERATE Grade level and/or GOVERNMENT RECOGNITION TO GRADUATE Grade 6 as of May 17, 2016.

- · Government Permit to Operate: This grants the school with PERMIT to operate but short of RECOGNITION. This means, the school with permit to operate up to Grade 6 should subsequently apply for Government Recognition in order to officially graduate their Grade 6 pupils at the end of the school year.
- · Government Recognition: The School is granted RECOGNITION STATUS. This means the school is given authority to graduate their students. With no recognition, the school's graduates are not recognized per se. Schools are obliged to apply for recognition prior to graduation. Schools without recognition but already graduated Grade 6 and/or Year IV (BEC Curriculum) are advised to subject their graduates to the Validation Test required by the DepEd, Central Office, prior to entry to the next level.
- The public is informed that any school not cited is not yet given the authority to operate as of date. Division Offices where schools are located can be checked for updates prior to enrolment.
