**REINFORCING THE READING ENHANCEMENT OF OUR LEARNERS THROUGH
UTILIZATION OF THE LIBRARY HUBS**

TO: EPSs, PSDSs, Public School Heads and Teachers

1. It has been observed that for the past school year, only Manuel L. Quezon Elementary School through its teachers and pupils is utilizing the Library Hub in reinforcing the reading enhancement of their learners.
2. This office reiterates to the field to maximize the utilization of available learning materials in our library hubs and further embrace the principle that every child can develop desirable reading habits and skills through greater access to reading materials.
3. Let us further strengthen our vision of developing among our pupils and students the love for and habit of reading.
4. For your information and guidance.

That more that you LEARN, The more places you'll GO."*
