Baguio City

Dear Sir:

The Maryknoll Ecological Sanctuary would like to invite teachers from the public and private elementary and high schools to a Seminar-Workshop on "Creative and Visual Strategies for Effective Teaching and Interactive Learning."

The objectives of the workshop are:

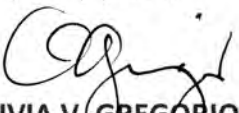

1. to enhance/enrich teachers teaching aids using a variety of creative strategies;
2. to promote the use of visual tools like photographs and graphic organizers to improve teaching skills and learning opportunities
3. integrate innovative strategies in their lesson planning.

We believe that performance standards and better learning outcomes are best achieved when teachers prepare their lessons with instructional materials and resources that encourages pupils and students to be actively involved in the learning process.

The seminar workshop will be held at the Maryknoll Ecological Sanctuary Auditorium on August 20, 2016 at 8:30-5:00. Registration fee is P 750.00 inclusive of kit, lunch and two snacks, a guided tour to the Sanctuary Gallery and certificate. Enclosed is the matrix of activities.

Please confirm your attendance on or before August 15. You may contact or email us for more details at the above address. Thank you.

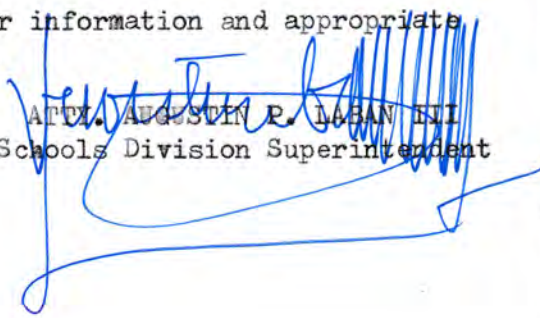

Very truly yours,
