Dear **Atty. Laban**:

Warm greetings from the PMHA BCCI family!

As the Filipino family continuously keeps abreast with modernization, changes are rapidly noted in family structure, values, discipline and social ethics. Along with these changes are threats that challenge the integrity and cohesion of the Filipino family. Conditions such as poverty, disasters, and separations due to migration for jobs are just among others that threaten the most basic unit of our society. However, amidst these, the Filipino family strives to rise and survive in this changing world.

Relative to this, we would like to invite you, your teachers, guidance counselors, and other interested personnel to the symposium entitled:

"Ohana"

Building Family Resilience

on **September 16, 2016, (Friday)** from **9:00 A.M. to 3:30 PM** at the **Grand Ballroom, Venus Parkview Hotel, Kisad Road, Baguio City.**

The Symposium aims to:

1. Inform the participants on the challenges that the Filipino family is facing today;
2. Help the participants understand better the beneficial and detrimental influences of social media in families;
3. Enlighten the participants on the fundamental means on how to build and maintain resilience in the family.

The registration fee which shall cover the participant's seminar kit, brochures, certificate, lunch, and snacks is as follows:
