BOWLING ETIQUETTE

BEFORE THE GAME

1. Always wear proper bowling attire: shirts, socks, pants, or skirts. Sleeveless shirts or "sando" (for men) are not allowed in the center.
2. Wear only **BOWLING SHOES** when playing on the lanes. Bowling shoes are specifically designed to help you slide and stop during proper delivery. Wearing other shoes may either cause you slip or trip.
3. Get only the balls that you need, the maximum is 2.
4. Do not put powder on the soles of your shoes. This could build "dirt" on the lanes making it either too slippery or too dry, which may cause accidents to you and other bowlers.
5. Try to avoid getting your Bowling Shoes wet for it will get tacky and may cause you to trip.
6. Do not leave your things unattended.

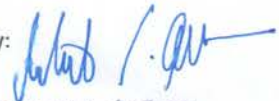

DURING THE GAMES

1. Make sure that your name is registered and highlighted on the screen before making the shot.
2. When 2 players approach the lanes at the same time, let the bowler on your right go first/and stay out of his field of vision.
3. In making a shot, you only have to roll the ball. Do not throw or loft the ball.
4. Do not release the ball until the **SWEEP BAR** has gone up/ and pins are properly set.
5. Observe and always stay behind the foul line. Do not cross the **FOUL LINE** for the lanes are oiled. You may slip and hurt yourself by doing so.
6. Leave the approach after your ball hits the pins. Do not stay at the foul line more than necessary.
7. Refrain from unnecessary body movements, or loud noise so as not to distract the other bowlers.
8. Stay on your playing lanes and do not cross the other lanes after making the shot/for you may bump onto other players.
9. Should problems such as pins missing, balls not returning, or wrong scoring occurs, call the attention of the lane man for assistance.
10. Avoid making another shot after the game. Doing so will create extra frames and shall be charged accordingly.

AFTER THE GAME

1. Kindly return the bowling shoes to the shoe counter.
