Dear Madam:

Greetings from **GML Review and Consultancy - The Home of Passers and Professionals!**

We are a review and consultancy firm based in Daraga, Albay which operates nationwide on its services.

We are very pleased to share with your Office our Review and Consultancy portfolio for the continuing professional development of your personnel and organization.

May we also invite those taking the December 4, 2016 CESWE to take part of our Review Modules?

**December 2 (Friday) – CESWE Special and Personalized Coaching (SC)** at Kabayan Hotel, Pasay City (1:00pm to 5:30pm)  
 Investment Cost: **P4,000** (Note: Limited Slots only)

**December 3 (Saturday) – CESWE Public Final Coaching (PFC)** at National Institute for Geological Sciences (NIGS), UP Dilliman (2:00pm to 4:00pm)  
 Investment Cost: **P2,000**

We are pleased to inform that we have 78 CESWE Passers to date and we are strong-willed to assist all those interested to pass the CESWE and get high ratings as well.

Likewise, we are offering the **Pioneer Review for the Educational Management Test (EMT)** or the **Executive Calibration for Professional Development (ECPD)** to all CESWE Passers. Although there is no definite date yet for the EMT, we deem it most effective that all prospective EMT Takers prepare in advance. This is the most effective tool since they will have the ample time to calibrate their learned skills and competencies during the review.

#### Domains to be discussed in the **Part 1 ECPD EMT Review**

1. Policy Action and Strategic Planning
2. Curriculum Reform, Management, and Evaluation of Learning Outcomes
3. Educational Leadership and Management
4. Integration (Essay)

**Note:** Domain for Research and Evaluation along with Domains 1,2,3,4 cited above will have supplemental and fortified review in the Part 2 ECPD EMT Review in January 2017.

Investment Cost: **P10,600** to include 2 AM/PM snacks and lunches for 2 days; does not include accommodation

We are pleased to furnish you with the review collateral - posters and fliers - which can be channeled via fax or bulletin boards, etc.

Please let us know if you have any inquiries or clarifications at **0998 865 3431** or visit us at **www.facebook.com/gmlrc**. Hoping earnestly for your kind support. Thank you very much and More Power!

Very truly yours,
