Greetings of peace!

Dear Sir. LABAN,

We are the Cordillera Youth Leaders (CYL), a community based youth organization and a mover for empowering Cordilleran Youth would like to collaborate and partner with your good office to implement a life saving activity / event that will benefit one of our member MR. DANIEL B. FALAG-EY.

Mr. Falag-ey was diagnosed of a CHRONIC KIDNEY DISEASE STAGE-V SECONDARY TO CHRONIC GLOMEROLU NEPHRITIS; HYPERTENSION AND ANEAMEA. Due to his severe condition, Daniel is in need of massive laboratory test for Kidney compatibility. Afterwards, Daniel should undergo organ transplant as soon as possible. However, the family lacks funds and resources to implement the mission.

The Cordillera Youth Leaders is glad to conduct its very first extension program *"Run for a Cause" with a theme Run for the Fun, Donate for the Cause*. This will be held at Baguio City on March 12, 2017 (Sunday).

The objectives for the project are as follows:

1. To raise awareness on healthy lifestyle;
2. To provide an opportunity for community and stakeholder in uniting and manifesting love in helping people in need; and
3. To raise fund for the upcoming organ transplant of the beneficiary.

In this regard, may we please request for the support of the Baguio City Division Office in this mission. Furthermore, may we ask if you could help us disseminate this information to the different schools in the city. May we also encourage our respective public officials and teachers even students if you could join and participate wholeheartedly in this event. Rest assured that your contribution will be appreciated and will be treasured forever.

Hoping for your favorable and positive response. Iyaman mi Apo!

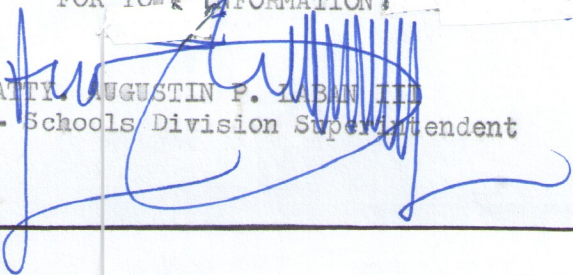

God Bless and Mabuhay!

Very truly yours,

KENNETH DAVE T. AMBATCAN
CYL President
