Muaythai has been a regular event being played in the annual National Youth Games better known as "Batang Pinoy" and the Philippine National Games. In this light, this will also serve in preparation to the inclusion of Muaythai sport in the DepEd sports events. After the national referee/ judge seminar, the attendees will be joining the accredited national referee and judge to further hone their technical skills in organizing, judging and refereeing in the Muaythai National Open 2017.

The organizing committee will be collecting a minimal fee of P2,500 inclusive of National Certificate of Completion, National Certificate of Accreditation, national Referee/Judge uniform, Muaythai Technical Manual from the International Federation of Muaythai Amateur, and to defray the operational expenses of the event.

For any queries or information regarding this matter, please contact **MR. BRYAN S. OLOD**, one of your DepEd teachers at Sablan National High School and also our Baguio Muaythai Federation president with this number: 09999664936/ Email address: dkidfighter@yahoo.com.

This event is part of the continuing sports development of the Philippine Sports Commission and the Philippine Olympic Committee.
