JUDGING CRITERIA:

- A. 20% Steadiest Kite - is the least active kite in the air
- B. 30% Construction and Design - Judges will look for a unique, odd, striking kite
- C. 50% Kite Size - Square Footage of the sail area will determine the size of the kite

CONTEST RULES:

- **FREE REGISTRATION. OPEN TO EVERYONE**
- ALL minors must be accompanied by a parent or guardian for registration for registration and during the contest
- Contestants must bring their kite for registration
- Contestants must register before the contest and display their number at all times
- Contestants may enter only one kite (One contestant, one kite)
- The participant may choose any material he/she desires to use for his/her entry. It may be paper, cloth, or any similar light material such as wood, bamboo, etc, and metal connectors.
- Inexpensive material is encouraged.
- The participants will be provided assistance by marshals during the launch;

- The kites shall be given a 5-minute launch period and a retry for failure to take-off; kites that fail to take-off the second time are disqualified; a kite that gets entangled may be flown again with clearance from the organizers.
- If the weather doesn't permit or the winds are too low, the judges may implement the "No Flying Condition Regulations." Under these conditions, participant's kites will be judged without flying.
- If a kite is damaged during the competition, the kite-maker may try to repair the kite. A damage repair area will be available for kite-makers to repair their kites. If the kite is able to be repaired, it may be launched again to determine if it will meet the one (1) minute flying regulation.
- Friends and family members may assist in the launching and repairing of kites, but the kite must be flown by the kite-maker.
- All decisions of the judges are final.
