## Message

Together with the whole of DepEd Division of Baguio City family, we would like to congratulate all the graduates and completers Batch 2017! We are one with you, your parents, guardians, relatives and loved ones in celebrating this important milestone in your lives.

With the seven and four years that you have spent in elementary and junior high school, respectively, we hope that we have delivered what has been promised to you, that is, quality basic education. It is then our prayer that all of you will use the experiences, lessons, and knowledge you earned to the fullest and become the best person that you can be. In this momentous occasion, together with your teachers, school administrators, school non – teaching personnel we wish you success not only in terms of your education but in the totality of you being a responsible person.

So as you move on to another chapter of your education, either to enter junior high school or senior high school, you can always be assured of the support from all of us including the officialdom of the City Government of Baguio. We urge you therefore dear graduates and completers to sustain your enthusiasm, maintain your discipline and vigor as you continue learning. Above all, as you walk through, you are assured of the promise of the Almighty when He said: *“For I know the plans that I have for you, plans for welfare and not for calamity to give you a future and a hope.”* (Jeremiah 29:11)

Again, congratulations to the graduates and completers Batch 2017. *Mabuhay kayong lahat!*
