**HON. MAURICIO G. DOMOGAN**  
City Mayor  
Baguio City

Dear **Mayor Domogan**:

This is in response to the letter of Dr. Ana Marie R. Banta dated May 18, 2017 regarding the Property Transfer Report on the number of rolls of Insecticide Treated Screens (Olyset Net Rolls) which were received by certain schools as well as additional request for the same commodities to some interested public schools.

Please be informed that we will be providing twenty (20) Insecticide Treated Screens (Olyset Net Rolls) in the schools which you identified particularly Sto. Tomas Elementary School, BCNHS-Bakakeng Annex, Jose P. Laurel Elementary School, Roxas National High School, Roxas ES, Happy Hallow ES and BCNHS-Happy Hallow Annex. The said items are ready for pick-up from 8:00 AM-5:00 PM, Monday to Friday at our office.

Thank you.

Truly yours,

  
**LAKSHMI L. LEGASPI, MD, RN, MAN**  
Director IV

cc: Engr. Gaudencio T. Tiwing, DMO IV  
Dr. Rowena Galpo, CHO

The round metal gong of the Cordillera known locally as "gangsá" is a symbol of the upland people's culture that has been passed on from ge to another.

The profile of a person blowing a "tanggyub" represents a community being called for an important matter or action.

The lines that shape the mountains, the rice terraces, clouds and rivers symbolize the connectivity and flow of human interaction in a geogr area such as the Cordillera.

All the symbols combined represent unity and harmony of its people with culture and environment in beating the gong for self determinator
