Schools Division Superintendent

Office of the Schools Division Superintendent

Department of Education

Baguio City

Dear Mr. Martin:

Greetings!

We are incoming Grade 12 scholars of Philippine Science High School who wish to conduct a Philippine Science High School (PSHS) Caravan which aims to promote the PSHS System to Grade five students and to promote the National Competitive Examination to Grade 6 students. This PSHS Caravan is currently one of the programs that we will be doing in partial fulfillment of our SCALE (Service, Creativity, Action, and Leadership Enhancement) program as part of the Specialization Years of the PSHS System.

The PSHS Caravan aims to encourage the Grade five students to excel in their studies so as to be able to meet the grade requirement of the PSHS System and to further promote PSHS – CARC to new potential scholars who are currently in the sixth grade. Moreover, this activity aims to promote a culture of Science and Technology among the students to encourage them to take up careers in the fields of science, engineering and mathematics.

In line with this, we would like to request for your permission to allow us to conduct the said caravan to 10 elementary schools within the City of Baguio.

Thank you very much for your kind consideration.

Yours truly,

JEZREL DENNISSE A. CASTRO

BRYAN PATRICK C. AROMIN

KATJA F. SARFATI

Noted by:

GERALDINE S. ORASING
Guidance Counselor/ Adult Supervisor

To: School Administrators, Principals &
School Heads (Elem. & Secondary)
(Public & Private)
