Dear Dr. Eclar:

The Department of Social Welfare and Development is currently tracking Pantawid Pamilya beneficiaries enrolled in school. The Learners Reference Number (LRN) is a permanent number that a pupil or student keeps while completing his/her basic education regardless of transfer to another school or learning center in either public or private school and promotion or moving up to the secondary level, thus making the LRN an essential tool in tracking all enrolled Pantawid Pamilya beneficiaries.

The Central Office of the Department of Education and the Department of Social Welfare and Development have agreed to incorporate the LRN of the student to easily track the Pantawid Pamilya beneficiaries especially those who need proper intervention. This is also in support of the National Advisory Committee Resolution No. 24, entitled "A Resolution in Bringing Pantawid Pamilya Children Back to School".

To ensure the accuracy of data, may we ask your assistance in providing us the LRN of the Pantawid Pamilya beneficiaries in Cordillera Administrative Region.

We will be providing the list of the Pantawid Pamilya student beneficiaries as your reference in cross matching the student profiles. These data will greatly help us in providing assistance to our beneficiaries.

We would appreciate receiving the data through these email addresses, job.colt@gmail.com and ndrillera@e-dswd.net on or before 10 November 2017. Our staffs, Mr. Rogelio Colting, Jr., 444-5961 Regional Information and Technology Officer, and Ms. Nora D. Rillera, Institutional Partnership and Development Officer will closely coordinate with your office regarding this matter. 444-3209

Thank you for considering our request.

Very truly yours,

JANET P. ARMAS
