**LUZON FIELD OFFICE**

25 September 2017

**HON. MAURICIO DOMOGAN**  
City Mayor  
City Hall Loop, Baguio City  
Fax 074 442 7228

Dear **Mayor Domogan**:

Greetings!

The Department continuously implements programs and activities that would promote the utilization and commercialization of alternative fuels (AF) and new (or emerging) and advanced energy technologies (NAET), following the passage of R.A. 9367 or the Biofuels Act of 2006.

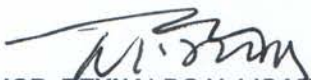

To intensify and ensure that our program will be well promoted, we would like to have a strong collaboration with the private sector and the local government. Through this enabling mechanism, we would be able to address the economic and social impacts as well as the creation of public awareness and acceptance of the said technologies.

In view of the aforementioned, we would like to request your assistance to invite about 100 participants from the academe, industry stakeholders, national and local government offices, non-governmental organization (NGO), and other concerned offices to the **Public Consultation** scheduled on **6 October** to be held at the **Le Monet Hotel, Ordonio Drive, Camp John Hay, Loakan Road, Baguio City**. This event is free and snacks/lunch will be served.

We have attached the program of activities where the Honorable Mayor is invited to deliver the welcome address.

Thank you and best regards.

Very truly yours,

  
**ENGR. REYNALDO V. LIGANOR, MNSA**  
OIC-Director

VJCP/EPQ
