Dear Director Eclar:

To sustain the gains of the disease-free school and to ensure a better health status of the school children, the Department of Health-CAR Office will conduct a **Regional DepEd Advocacy Meeting and Program Implementation Review** on **September 19-21, 2017** at **City Travel Hotel, Kisad Road, Baguio City**. The objective of this activity is to discuss accomplishments and to provide program updates not only on school-based health programs but also on the communicable and non-communicable diseases.

Relative to this, we respectfully invite one (1) **elementary** and one (1) **secondary principal** and three (3) **Health and Nutrition Staff** per division to attend the activity. We are also inviting **Ms. Michelle Andaya**, Nutrition Coordinator to be one of the facilitators during the said activity.

Food and accommodation including meeting supplies of the participants will be provided by DOH-CAR Office. However, we are requesting that transportation expenses of the participants be shouldered by your office. Check-in time will be in the afternoon of **September 18** while check out will be after breakfast of **September 22, 2017**.

Our program coordinator will be coordinating with your staff for further details of the activity but for any inquiry, **Mr. Roldan Liwaliw**, STHCP coordinator can be reached at mobile number 0921-4725-847.

Thank you and looking forward for your support to this activity.

Truly yours,

HEALTH FOR ALL

The round metal gong of the Cordillera known locally as "gangsa" is a symbol of the upland people's culture that has been passed on from generations to another.

The profile of a person blowing a "tanguyub" represents a community being called for an important matter or action.

The lines that shape the mountains, the rice terraces, clouds and rivers symbolize the connectivity and interdependence of the Cordillera region.
