Dear Sir Martin,

The Life Enrichment Program Philippines (LEPP) is a newly established family ministry and founded in Baguio City, Philippines. It is our heart to promote Christian principles in child rearing, family relationship, marriage, financial management, work ethic, personal and professional development. We exist to provide life transforming conferences, seminars/trainings, and various activities to help people thrive in life and to empower God-ordained institution of the family.

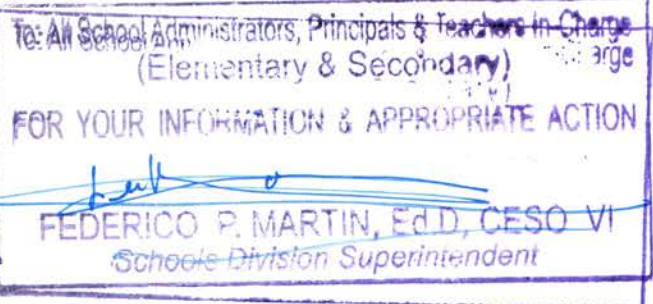

The FAMILY as the fundamental unit of the society must be preserved and empowered! Parental absenteeism, disintegration of moral values, domestic violence, teenage pregnancy, dangers of drugs, juvenile delinquency, negative influence of media, gender confusion are some of the challenges confronting Filipino Families today. The situations that are happening in the home will surely have an impact in our society in general, our communities and even our schools in particular.

In connection with this, may I respectfully invite your DEPED School Heads, Teachers, and other non-teaching personnel to the upcoming **National Family Congress 2018** which will be held on **May 22-23, 2018, 8am-5pm, @ Youngsan Mission Center, Interior C. Balacbac Road, Baguio City**. This could be part of your yearend In-Service Training. Our theme for this year's event is **"THE FAMILY YOU'VE ALWAYS WANTED."** This is a life transforming event on family matters, where people can learn and discuss issues and challenges Filipino families are facing today. It also aims to empower and equip us to confront or address those issues and challenges affecting families today.

Attached herewith the profile of our Conference Speakers and poster for your information. Thank you very much and we are looking forward to a fruitful conference with everyone. **TOGETHER WE CAN EMPOWER FAMILIES AROUND US!**

Sincerely,

Mr. Anthony Lorenzo
Committed to Empower the Filipino Family World
