DEPED-CAR Time: \_\_\_\_\_

Dear **Dr. Eclar**,

Greetings from the University of Baguio!

The University of Baguio Research and Development Center will be holding a Faculty Research Colloquium on April 20, 2018, at the UB Centennial Hall. This annual colloquium aims to provide an avenue for professional researchers to disseminate the relevant findings of their study. May we seek an endorsement from your good office for the participation of the DepEd teachers in this activity? We believe that this is an opportunity for them to disseminate the results of the action researches that they have undertaken, at the same time, earn CPD units. The University of Baguio has applied as a CPD provider pending approval from the Professional Regulations Commission.

Our most sincere appreciation for your support to this endeavor.

Respectfully yours,

  
**Rhoda Basco Galangco**  
**Director of Research and Development Center**
