TO : FEDERICO P. MARTIN, Ed.D., CESO VI
SCHOOLS DIVISION SUPERINTENDENT

Dear Dr. Martin,

PAX TECUM!

A.P.E.X. (Academy for Professional Excellence), is a private Review, Training, and Consultancy Center, owned and managed by group of professionals, was founded on June 2012.

We are motivated by our belief that a large number of professional teachers remain out dated on trends and issues in Philippine Educational system in general and the K to 12 in particular. Our working group has proposed a strategy for approaching this challenge.

This year, APEX will be conducting a 2-day seminar workshop entitled: **"Attaining sustainable Quality Education through Alignment of Curriculum and National Standards"** on May 25-26 at the Econo Hotel, lower Magsaysay, Baguio City.

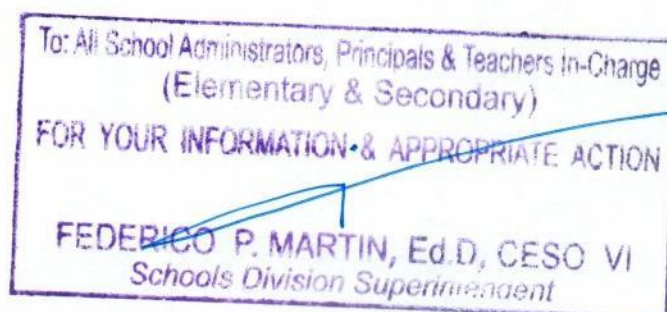

The registration fee is 3,000.00 per participant, inclusive of AM and PM snacks, lunch for two days, and seminar materials.

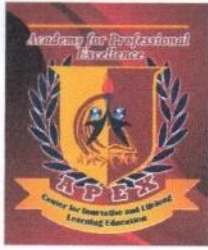

Attached is the complete Seminar Program details for your reference.

Thank you for your consideration. Together, we can nurture a culture of Excellence and quality education.

Sincerely yours,

RONNIE ESPERGAL PASIGUI, Ph. D.
