

PHILIPPINE INSTITUTE OF CIVIL ENGINEERS, INC.

11 April 2018

Subject: **INVITATION TO ATTEND THE SEMINAR-WORKSHOP ON CPES EVALUATORS ACCREDITATION**

Dear

Greetings from the Philippine Institute of Civil Engineers, Inc. (PICE).

The PICE signed last 2 August 2016 a Memorandum of Agreement (MOA) with the Philippine Domestic Construction Board (PDCB) sealing their partnership for the Constructors Performance Evaluation System (CPES).

CPES is a system of rating the performance of constructors based on specific criteria set by the Infrastructure Committee of the National Economic and Development Authority to improve the quality and timely delivery of infrastructure projects. CPES is expected to raise the level of performance of Philippine constructors to be at par with internationally accepted standards and applies to all public infrastructure projects in the Philippines.

Under the "Government Procurement Reform Act", all national government offices, departments, bureaus, offices, or instrumentalities of the Government, including Government-owned and/or Controlled Corporations, Government Financial Institutions, State Universities and Colleges and Local Government Units are mandated to evaluate the performance of their constructors using CPES.

The signing of the MOA forges PICE's firm commitment towards "transparency and quality" in the constructed projects. Under the MOA, PICE will organize CPES Accreditation Seminars and will open this to both PICE members and non-members who meet the minimum qualification (i.e., licensed engineer or architect with at least 5 years of relevant work experience in project implementation). Upon accreditation by the PDCB, they shall form part of PICE's pool of CPES Evaluators that can be tapped by Government agencies implementing public infrastructure projects as "third-party evaluators".

In line with this, we would like to invite you to attend and actively participate in the **3-day Seminar-Workshop on CPES Evaluators Accreditation on 25-27 April 2018** at **The Podium Boutique Hotel, Marcos Highway, Baguio City** to be hosted by **PICE National** and supported by **PICE Baguio Chapter**. The Seminar-Workshop is intended only for the first 45 qualified participants. **Early Registration Fee is Php6,500.00 for PICE Members and Php7,000.00 for PICE Non-Members until 20 April 2018**, and **Php7,500.00** Regular Registration for both PICE Members and Non-Members. Registration fee is inclusive of seminar-workshop manuals, certificates, snacks and lunch.

The PICE National has also applied for the CPD Accreditation of this CPES Seminar-Workshop. For inquiries, please call PICE Baguio Chapter at 0917-506-4519 or email us at picebgo@yahoo.com.

Thank you.
