DR. MAY B. ECLAR
Regional Director
Department of Education, Cordillera Administrative Region
Wangal, La Trinidad, Benguet

Dear Dr. Eclar:

Greetings!

Crisis reporting workshops such as the one in Word Cup Boracay fits well with the needs of school paper advisers and campus journalists and even professional reporters. We attempt to offer an out-of-the-box experience to bridge the gap between the classroom and mainstream journalism.

Our workshop system has been proven effective in developing champions in top-performing regions. And it's never too late to experience Word Cup workshops. While stories that unfolded and covered by participants in Boracay are indeed rare, you can catch us again as we provide tailor-fit, experiential journalism workshops.

Only you hold the key to unlocking the vast potential of your region. For starters, it can be as easy as providing them timely and crucial information through an advisory or memorandum on our upcoming events:

10 th Word Cup Philippines Journalism Workshops and Contests	Aug. 10 - 12, 2018	Ating Tahanan National Training Center Baguio City	http://bit.ly/10thWordCup

One is never prepared early enough. National champions know too well it's a year-round habit of excellence. Our trainers are working journalists and members of the academe who are experienced judges and evaluators of the NSPC. Most of these trainers have also contributed immensely to the training of Calabarzon and other top-performing regions in the NSPC.

We also offer the Word Cup Masterclass, where award-winning professionals will tutor your region's trainers, coaches and exceptionally talented students. Interested individuals may send their resumes to associatededitorsco@gmail.com for evaluation and invitation in the subsidized Masterclass. Know more about this on our website www.wordcup.com.ph and our Facebook account Word Cup Associated Editors Co.

So we can serve more of your constituents, may we humbly request that an advisory or memorandum be issued for these activities and cascaded to the field as soon as possible. Your assistance will go long way in promoting campus journalism education in your region.

Thank you and we look forward to working with you in the future.

Sincerely yours,
