From: **Mr. Mario Busungan**
President, PTA Federation
DEPED Division of Baguio City

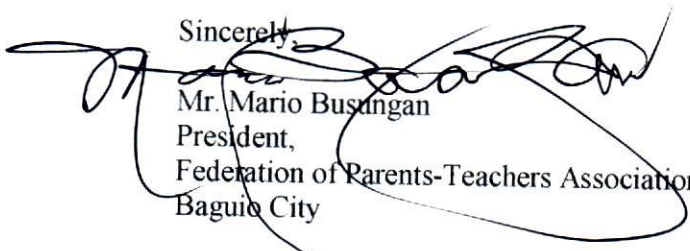

Dear Sir Martin,

The FAMILY as the fundamental unit of the society must be preserved and empowered! Parental absenteeism, disintegration of moral values, domestic violence, teenage pregnancy, dangers of drugs, juvenile delinquency, negative influence of media, gender confusion are some of the challenges confronting Filipino Families today. The situations that are happening in the home will surely have an impact in our society in general, our communities and even our schools in particular.

In partnership with Life Enrichment Program Philippines, I am pleased to invite all our **PTA School and Classroom Officers** to the upcoming **PARENTING and LIFE GROWTH CONFERENCE** which will be held on **July 14, 2018, 8am-5pm, @ PFVR Gym, Military Cut-Off Road, Baguio City**. This is a life transforming event on family matters, where people can learn and discuss issues and challenges Filipino families are facing today. It also aims to empower and equip us to confront or address those issues and challenges affecting families today.

Thank you very much and we are looking forward to a fruitful conference with everyone. Your endorsement will be greatly appreciated. **TOGETHER WE CAN EMPOWER FAMILIES AROUND US!**

Sincerely,

Mr. Mario Busungan
President,
