**Dr. FEDERICO P. MARTIN**  
 Schools Division Superintendent  
 Department of Education – Baguio Division  
 #8 South Drive, Baguio City

Dear **Dr. MARTIN:**

Greetings from PhilHealth - CAR!

The Philippine Health Insurance Corporation, also referred to as PhilHealth, has initiated a full-scale partnership with the Department of Education (DepEd) in order to integrate the PhilHealth Learner’s Material (PLM) into the K-12 curriculum in both public and private schools. The PLM Module shall serve as an integral part and main concept in teaching the health component of the MAPEH subject for grade 10 students.

The integration of the PhilHealth Learner’s Material (PLM) in basic to tertiary education presents to students the role of PhilHealth in upholding the healthcare of our nation, how it fulfills its mandate of providing every Filipino citizen with health insurance coverage, and how it provides financial risk protection to Filipinos. It aims to raise advocates of PhilHealth by instilling among students appreciation for the National Health Insurance Program (NHIP).

This year, PhilHealth through its regional offices has started rolling out the program by initially conducting trainings to various MAPEH teachers nationwide. In our continuous effort to promote, institutionalize and strengthen the PLM program, we are pleased to invite your school to partner with us. To help develop a deeper understanding on the basic concepts and application of the learning material, PhilHealth – CAR will be honored with your presence to an orientation entitled *Implementation of the Teaching of PhilHealth Learners Material (PLM) for SY 2018-2019* on July 5, 2018, 8:00AM to 5:00PM at PhilHealth Regional Office – CAR located at #19 Leonard Wood Rd., Baguio City.

Please confirm your attendance not later than June 29, 2018. Should you require further information, you may contact **Mr. Noland G. Sabling** of the Field Operations Division at (074) 444-5345 or 444-8361 local 4522 or email at [procar.fod@gmail.com](mailto:procar.fod@gmail.com).

We are hoping for a positive response to our request. Thank you!

Very truly yours,

*amng good*
