To: PSDS  
School Heads (Secondary)  
All others concerned

1. The idea of increasing participation of men in family planning has received periodic attention for the past years. However, there is no general accepted understanding of what men involvement actually means.
2. This activity examines the gender implication of male involvement for the staff and decision-makers of service delivery programs of the city and the gender dynamics surrounding the use of contraceptives particularly male dependent methods.
3. Relative to this, the Health Services Office (Baguio Health Department) will be conducting a Lay-Forum on Male Involvement in Family Planning and Healthy Lifestyle on **August 3, 2018 from 1:00 pm to 5:00 pm at the Conference Hall, Health Services Office.**
