Dr. Federico P. Martin, CESO IV
Superintendent
DEPED Schools Division of Baguio City

Dear Dr. Martin,

Good day!

The American Spaces of the U.S. Embassy in the Philippines hosts speaker programs and workshops to promote the United States' Science, Technology, Engineering, Arts, and Mathematics (STEAM) and English Language and Teaching initiative to Filipino people. The goal is to reach diverse and broad group of participants to include academe, faculty, teachers, and high school students, undergraduate and graduate students, NGOs, and youth audiences.

As part of the U.S. Embassy's mission to provide conducive platform for educators and the youth to learn about STEAM and create a community of future makers, inventors, and innovators in the country, the American Spaces Philippines will be conducting its **"Let's INNOVATE, CREATE, and COLLABORATE in our CLASSROOMS"**, a half-day workshop that will showcase critical thinking, STEAM, and 21st century skills to Filipino educators.

In this regard, may we humbly request 60-80 STEM, English and Arts Educators to participate in this 3-hr activity that will be held at your respective training center. Certificates will be given to all the participants. Below is the proposed program schedule:
