Sir,

Greetings!

One of the major components of the Philippine Population Management Program is the Adolescent Health and Youth Development Program (AHYDP). The goal of AHYDP is to improve the total well-being of Filipino youth. It aims to help adolescents and youth to avoid risky sexual behaviors to reduce incidence of teenage pregnancies, early marriages, sexually transmitted infections (STIs) and other psychosocial concerns.

Relative to this, our office will be conducting **Peer Education Training of Trainers (TOT)** on **September 5-7, 2018, 8:00AM-5:00PM** at Conference Hall, Health Services Office. Thus we are inviting two (2) participants each school, preferably the faculty-in-charge and Guidance Counselor of the following eight (8) public schools to attend the said training.

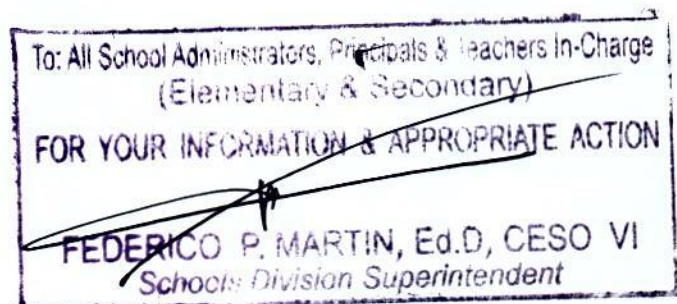

Schools
1. Dona Aurora National High School
2. Bakakeng Norte National High School
3. Irian National High School
4. Mil-an National High School
5. Quezon Hill National High School
6. Happy Hallow National High School
7. Joaquin Smith National High School
